PINNACLE CARES!

Compliant with all laws and regulations (i.e., HIPAA) - let us worry about keeping up with the regulations so that you can focus on your patients.

Accuracy and quality levels that exceed 99.5%, achieved by implementing a 3-tier quality control process. We guarantee a 99% accuracy level or its free.

Responsive turn around times that lead the industry. Our standard turn around time is 12 - 24 hours, and we provide a 3 hour turn around time as requested.

Easy access to patient files. Review, edit, accept, and archive patient records from anywhere at anytime, 24/7. Our services can be integrated with your current information system.

□ Dictate using our dictation line, digital recorders or your hospital dictation system. Free digital recorders per provider! We also offer state-of-the-art digital recorders with huge discounts from retail pricing!

□ PINNACLE WILL MAKE SURE YOUR PROVIDERS DO NOT CHANGE THE WAY THEY DICTATE. NEVER TEACH A DOCTOR NEW TRICKS!

□ Pinnacle assigns particular transcriptionists per provider based on specialty, dialect and volume. They learn exactly how your providers like their work done. Quality is never an issue.

□ ONTIME AND 99% ACCURACY GUARANTEED OR THE REPORT IS FREE!

Savings that are significant - achieved by leveraging quality, technology, and efficiency. On average, we save our customers 25 - 35% of their annual transcription costs!

Rates from 8 Cents per Line!

□ Pinnacle can deliver transcription directly to your desktop, printer, EMR system or use our web based platform to store, edit, review and e-fax your completed transcription.

□ INTERFACE SEAMLESSLY WITH ALLSCRIPTS, MEDITECH, CENTRICITY, CERNER AND MANY MORE! PINNACLE IS HL-7 COMPATIBLE!
